A 6"„x 16 3 double-sided segmental retaining wall, with tapered sides and an integrated mechanical lock, allowing for a 0 setback between each wall. Semma also has tremendous shear strength (block to block contact), with 1 1 2 interlocking lugs and a reinforced system with contractor grade gravel-filled cores, and a 1" bond for joint depression. Semma was designed with an integrated 2 2 on every layer, makes great solution to the raised patio or backyard building a structural wall and stopping it with a pinset (free-standing wall). Use the Semma pillars to finish off your wall. Semma accessories are available in Cantabria Semma is part of the Ary cast collection.

Valet

Our Valet pavers are a great way to add character and a touch of luxury to any driveway. These 90 x 90 by 60 mm (3 ½ inch square shaped units) were inspired by lava rock/basalt stone, the highly textured surface of the Valet paver brings added visual interest to any landscaping project. Concrete pavements with the same salt-resistant qualities you expect of Techo-Bloc's dry cast-line.
